RE: 2018 Pennsylvania Special Election

Race: 18th Congressional District

Dear Rep. Saccone:

Please be advised that FOAC is Endorsing you for the office of Congressman in the 18th PA Congressional District in the 2018 Pennsylvania Special Election to be held March 13, 2018.

As you are aware we believe that a strong, independent and constitutionally sound government is essential for our Republic to flourish, especially in these trying times. It is our goal to assist in this process by helping to elect responsible leaders. Based on an in-depth examination of your background, as well as our close working relationship, we believe you will pro-actively support your 'oath of office' to support, obey and defend the Constitution of the United States and that you will discharge the duties of your office with fidelity and honor.

Your name will be included a special election Voter's Guide dedicated to this race. Once completed FOAC will post our Voter's Guides on our web site (www.foac-pac.org) and will distribute the Voter's Guide throughout the 18th Congressional District.

In addition to our voter guide distribution, we have an extensive database of pro-second amendment supporters that can be accessed for mailings on your behalf. We are able to target FFL dealers, sportsmen's clubs, and many other pro-second amendment organizations and individuals. While we do NOT share the individual gun owner database, we do work with campaigns on arrangements for targeted mailings with mutually agreeable messages.

This letter is your authorization to publicize our 2018 Special Election Endorsement to any and all media sources, groups, and individuals as you deem appropriate. We, at Firearms Owners Against Crime, wish your team good fortune in the upcoming election and look forward to working with you, and them, in the future on issues of mutual concern.

Best regards,

Kim Stolfer, President
