Dear Rick Saccone:

On behalf of the Italian War Veterans of America we would like to extend our deepest congratulations. Today we are officially endorsing your campaign for the 18th Congressional District.

Since 1932 the Italian War Veterans of America has developed a long tradition of service to the American people enriched with patriotism and imbued with an undying fidelity to our American values.

A federally chartered organization, the Italian War Veterans of America has vowed to provide aid and support to the brave men and women who have served these United States. Working closely with the brave men and women who have sacrificed life and luxury all in the name of democracy, the Italian War Veterans of America fights every day for employment, education, benefits, and respect for our warriors both home and abroad.

Yet our work transcends the bounds of assisting our warriors who have served and continue to serve. Every year the Italian War Veterans of America organizes community events that celebrate and preserve our American culture. The Italian War Vets enjoys a membership base in many states of our great country, where our members volunteer in their communities to build ties of strong friendship and fierce patriotism.

From hosting athletic events to organizing fundraisers our members labor tirelessly to teach every generation of the importance of comradery, respect, peace, and above all love of our country.

We know you, a distinguished veteran as well, share our values and mission. Rick is a man of high integrity who will be an accountable and loyal public servant. The Italian War Veterans of the United States is more than confident that Rick Saccone will only serve both the constituents of the 18th district and the American people with diligence, determination, and dedication.

Best Wishes,

Tony Ficarri
